The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,
AND EXCHANGE OF PROPERTY TAX REVENUES FOR
APPROVED TENTATIVE SUBDIVISIONS
SUPERVISORIAL DISTRICTS 1, 3, AND 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Resolution of Intention to Annex Approved Tentative Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and to Order the Levying of Assessments within Annexed Territories, whose areas and locations are identified on the enclosed maps and listed in the enclosed Appendix A, for Fiscal Year 2006-07.
2. Set a date for a public hearing regarding the proposed annexation of approved tentative subdivisions and levying of annual assessments based on the Fiscal Year 2004-05 Annual Engineer's Report, which establishes assessments based on land-use type for all zones within County Lighting District LLA-1 for street lighting purposes, with an annual base assessment rate of \$5 for a single-family home for the Unincorporated Zone.

3. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the scheduled public hearing date of _____. The mailed notice will include assessment ballots.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or in opposition to the proposed assessments.
2. Determine whether a majority protest against the proposed annexation or assessment exists.
3. If there is no majority protest against the proposed annexation or assessment, adopt the enclosed Resolution Ordering Annexation of Approved Tentative Subdivision Territories to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Levying of Assessments within the Annexed Territories for Fiscal Year 2006-07, either as proposed or as modified by your Board, except the annexations and the exchange of property tax revenues shall not be effective until the final subdivision maps are filed with the Registrar-Recorder/County Clerk, and the legal descriptions for the annexation areas are approved as to definiteness and certainty by the County Assessor. The adoption of the Resolution Ordering Annexation shall constitute the levying of assessments in Fiscal Year 2006-07.
4. Adopt the enclosed Joint Resolutions between your Board and other taxing agencies Approving and Accepting the Exchange of Property Tax Revenues resulting from the annexation of subdivision territories to County Lighting Maintenance District 1687, as approved by the other nonexempt taxing agencies, and the enclosed Resolutions Approving and Accepting the Exchange of Property Tax Revenues on behalf of the Los Angeles County West Vector Control District and the Resource Conservation District of the Santa Monica Mountains, resulting from the annexation of Tract 49054 to County Lighting Maintenance District 1687.
5. Find that the annexation and assessments are to meet operating expenses; purchase supplies, equipment, or materials; meet financial reserve needs and requirements; and obtain funds for capital projects, including the operation and maintenance of street lights necessary to maintain service within the proposed annexation areas.

6. Instruct the Executive Officer of the Board to file copies of the enclosed Resolutions with the County Assessor, Ownership Services Section (Attention Soledad Osborne); and Auditor-Controller, Tax Section (Attention Kelvin Aikens).
7. Make a finding terminating the annexation, levy of assessments, and property tax transfer proceedings in those approved tentative subdivisions where the proposed annexation and levying of assessments have been rejected as a result of a majority protest.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for the Board to Annex the approved tentative subdivisions listed in Appendix A into County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, levy assessments on each lot or parcel lying within the proposed annexation territories based on land-use categories that designate usage units on the basis of benefits received, and approve the exchange of property tax revenues between County Lighting Maintenance District 1687 and those nonexempt agencies whose service area is subject to the jurisdictional change.

County ordinance requires the installation of a street lighting system by a developer. The proposed annexation, levy of assessments, and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of the street lights.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation, levy of assessments, and property tax transfer provides the funding necessary for the operation and maintenance of new street lighting facilities within these annexed subdivisions.

FISCAL IMPACT/FINANCING

The assessments are subject to the results of ballot tabulation at the conclusion of the public hearing. Failure to annex the territory, levy assessments, and collect property tax revenues will result in the inability to operate and maintain the street lights as part of a

County-administered Lighting District. Failure to levy assessments against the benefited parcels will result in the inability to operate and maintain the street lights as part of a County-administered lighting district and will result in the project not being allowed to record or being issued a building permit.

Upon annexation, the ongoing operation and maintenance costs of the street lights within the annexed area will be financed by the collection of ad valorem property taxes, supplemented by assessments annually approved by the Board. The annexation will result in a minimal property tax growth transfer from County agencies, such as the County General Fund, County Library, County Fire Department, County Road Maintenance Districts 1, 3, and 5, and the County Flood Control District, to County Lighting Maintenance District 1687.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The Streets and Highways Code (Sections 5821.3 and 22608.2) provides that a territory owned by a subdivider may be annexed to a lighting district if so provided by ordinance, without notice and hearing, or filing of an Engineer's Report. The posting and publishing requirements and filing of an Engineer's Report for these subdivision projects are, therefore, not required.

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and/or assessment.

Under Proposition 218 (State Constitution, Articles XIIIC and XIID), it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefited properties within County Lighting District LLA-1 by any formula or method that fairly distributes the costs among all assessable lots or parcels in proportion to the estimated benefits to be received by each from the improvements.

A method of distributing the street lighting costs based on land use was approved by your Board on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. The same distribution method was used to compute the base assessment rates shown in the Fiscal Year 2004-05 Annual Engineer's Report on file with Public Works.

Affected agencies must approve and accept the exchange of property tax revenues pursuant to Section 99.01 of the Revenue and Taxation Code by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency.

The Joint Resolution Approving and Accepting the Exchange of Property Tax Revenues approved by other affected nonexempt agencies is enclosed for your consideration.

The Board of Directors of the Los Angeles County West Vector Control District and the Board of Directors for the Resource Conservation District of the Santa Monica Mountains have not returned the approved Resolution for the exchange of property tax revenue for Tract 49054. Since it is equitable that each local agency participate in the exchange of property tax revenue generated in the area subject to the jurisdictional change, we recommend that your Board adopt the enclosed Resolutions Approving and Accepting the Exchange of Property Tax Revenues on behalf of the Los Angeles County West Vector Control District and the Resource Conservation District of the Santa Monica Mountains for Tract 49054.

Following the Board's approval of the annexation, levy of assessment, and exchange of property tax revenues, we will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code.

The Boundary of the proposed annexation has been reviewed and approved by the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code. Copies of diagrams showing the boundaries of each proposed annexation territory is included with the Resolution of Intention.

The enclosed Resolutions have been approved as to form by County Counsel.

WHEREAS, on July 24, 1979, the Board of Supervisors of the County of Los Angeles approved the formation of County Lighting District LLA-1 to provide supplemental funds for the operation of street lights in County-administered lighting districts; and

WHEREAS, the Board of Supervisors adopted the Fiscal Year 2004-05 Annual Engineer's Report that shows estimated operating costs and recommended assessments for each zone within County Lighting District LLA-1; and

WHEREAS, the Improvement Act of 1911 (Section 5821.3 of the Streets and Highways Code) provides that a territory owned by a subdivider may be annexed to a lighting district if so provided by ordinance, without notice or hearing; and

WHEREAS, the Landscape and Lighting Act of 1972 (Section 22608.2 of the Streets and Highways Code) provides that in the event an ordinance requires installation of improvements by a subdivider, the territory may be annexed to an existing lighting district without notice and hearing or filing of an Engineer's Report or both; and

WHEREAS, Articles XIIC and XIID of the California Constitution provide that the notice, protest, and hearing requirements imposed by Section 53753 of the Government Code supercede any statutory provisions applicable to the levy of a new or increased assessment.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of the approved tentative subdivision territories listed in Appendix A to County Lighting Maintenance District 1687, pursuant to Section 5837 of the Streets and Highways Code of the State of California.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the annexation of approved tentative subdivision territories listed in Appendix A to County Lighting District LLA-1, pursuant to Section 22605 of the Streets and Highways Code of the State of California.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to authorize, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for proper operation and maintenance of proposed street lights within the proposed annexation territory and located in County Lighting District LLA-1, Unincorporated Zone, shall be assessed in Fiscal Year 2006-07 upon each lot or parcel of land lying within the annexed territory based on land-use categories that designate usage units on the basis of benefits received as defined in the County Assessor's report dated May 22, 1979, and amended on July 22, 1997, and which should be assessed to pay the expenses of the operation and maintenance of said improvements. The proposed base assessment rates are shown in the Fiscal Year 2004-05 Annual Engineer's Report for each zone within County Lighting District LLA-1. The same proportional increases are proposed for all other benefited property uses in the territory.

SECTION 4. The boundaries of the territories proposed to be annexed are shown on the attached maps.

SECTION 5. The proposed assessment is subject to approval of the property owners. A ballot and public hearing notice will be sent to the property owners within the area proposed for annexation at least 45 days prior to the date of the public hearing. The ballots will be weighted by the amount of assessment to be paid by each property owner. The approved tentative subdivision territories will not be annexed, and the proposed assessment for that subdivision will be abandoned if the weighted majority of the ballots returned are opposed to the assessment.

SECTION 6. The amounts to be assessed for the expense of such operation and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code) and Article XIIID of the California Constitution.

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County of Los Angeles, the Los Angeles County Library, the Los Angeles County Road Maintenance District 3, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, and the Los Angeles County Flood Control District; the Board of Directors of the Los Angeles County West Vector Control District; the Board of Directors of the Resource Conservation District of the Santa Monica Mountains; the Board of Directors of the Las Virgenes Municipal Water District; the Board of Directors of the Las Virgenes Municipal Water Improvement District 9; and the Board of Directors of the Las Virgenes Municipal Water Improvement District 12 have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Project No. 67-403 (Tract 49054) to County Lighting Maintenance District 1687 is as set forth below:

WHEREAS, the Los Angeles County West Vector Control District has declined to negotiate an exchange of property tax revenue due to the annexation of territory to County Lighting Maintenance District 1687 and, pursuant to Section 99.01(4) of the Revenue and Taxation Code, the Board of Supervisors of the County of Los Angeles is charged with the responsibility for determining the exchange of revenue; and

WHEREAS, the Board of Supervisors of the County of Los Angeles has determined that the amount of property tax revenue to be exchanged between the Los Angeles County West Vector Control District and the County as a result of the proposed annexation is described herein.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues between the County of Los Angeles, the County Library, the Road Maintenance District 3, the Consolidated Fire Protection District, the County Flood Control Drainage Improvement District, and the County Flood Control District; the Los Angeles County West Vector Control District; the Resource Conservation District of the Santa Monica Mountains; the Las Virgenes Municipal Water District; the Las Virgenes Municipal Water Improvement District No. 9; and the Las Virgenes Municipal Water Improvement District No. 12 have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Project No. 67-403 (Tract 49054) to County Lighting Maintenance District 1687 is approved and accepted.

2. The exchange of property tax revenue between the County of Los Angeles and the Los Angeles County West Vector Control District as a result of the proposed annexation to County Lighting Maintenance District 1687 is determined by the Los Angeles County Board of Supervisors pursuant to Revenue and Tax Code Section 99.01 to be that amount as set forth below.

3. For fiscal years commencing on or after July 1, 2005, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Project No. 67-403 (Tax Rate Area's 4971, 4988, 8208 and 10196) shall be allocated to the affected agencies as indicated in the enclosed Worksheets.

4. If at anytime after the effective date of this Resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect, thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

WHEREAS, the Board of Supervisors of the County of Los Angeles, acting on behalf of the County of Los Angeles, the Los Angeles County Library, the Los Angeles County Road Maintenance District 3, the Consolidated Fire Protection District of Los Angeles County, the Los Angeles County Flood Control Drainage Improvement District, and the Los Angeles County Flood Control District; the Board of Directors of the Los Angeles County West Vector Control District; the Board of Directors of the Resource Conservation District of the Santa Monica Mountains; the Board of Directors of the Las Virgenes Municipal Water District; the Board of Directors of the Las Virgenes Municipal Water Improvement District 9; and the Board of Directors of the Las Virgenes Municipal Water Improvement District 12 have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Project No. 67-403 (Tract 49054) to County Lighting Maintenance District 1687 is as set forth below:

WHEREAS, the Resource Conservation District of the Santa Monica Mountains has declined to negotiate an exchange of property tax revenue due to the annexation of territory to County Lighting Maintenance District 1687 and, pursuant to Section 99.01(4) of the Revenue and Taxation Code, the Board of Supervisors of the County of Los Angeles is charged with the responsibility for determining the exchange of revenue; and

WHEREAS, the Board of Supervisors of the County of Los Angeles has determined that the amount of property tax revenue to be exchanged between the Resource Conservation District of the Santa Monica Mountains and the County as a result of the proposed annexation is described herein.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues between the County of Los Angeles, the County Library, the Road Maintenance District 3, the Consolidated Fire Protection District, the County Flood Control Drainage Improvement District, and the County Flood Control District; the Los Angeles County West Vector Control District; the Resource Conservation District of the Santa Monica Mountains; the Las Virgenes Municipal Water District; the Las Virgenes Municipal Water Improvement District No. 9; and the Las Virgenes Municipal Water Improvement District No. 12 have determined that the amount of property tax revenue to be exchanged between their respective agencies as a result of the annexation proposal identified as Project No. 67-403 (Tract 49054) to County Lighting Maintenance District 1687 is approved and accepted.

2. The exchange of property tax revenue between the County of Los Angeles and the Resource Conservation District of the Santa Monica Mountains as a result of the proposed annexation to County Lighting Maintenance District 1687 is determined by the Los Angeles County Board of Supervisors pursuant to Revenue and Tax Code Section 99.01 to be that amount as set forth below.

3. For fiscal years commencing on or after July 1, 2005, or the July 1 after the effective date of this jurisdictional change, whichever is later, the property tax revenue increment generated from the area within Project No. 67-403 (Tax Rate Area's 4971, 4988, 8208 and 10196) shall be allocated to the affected agencies as indicated in the enclosed Worksheets.
